

2026-2027

Performance Gymnastics Academy

Booster Club

PART I: Performance Gymnastics Academy Boosters Club

A. INTRODUCTION

This handout is provided to team members' parents to provide information about the Performance Gymnastics Academy (PGA) Team (hereafter referred to as "the Team") and the Performance Gymnastics Academy Boosters Club (PGA Boosters Corp). If you have questions about the Boosters organization, please contact one of the officers. If you have questions regarding your gymnasts' training, please contact the PGA coaching staff.

B. THE ORGANIZATIONS

Performance Gymnastics Academy and the Performance Gymnastics Academy Boosters Club are separate organizations. Performance Gymnastics Academy is owned and operated by Olivia Gamberta, and is a for profit organization, providing gymnastics training. A monthly tuition payment to Performance Gymnastics Academy covers expenses associated with training your gymnast(s).

Performance Gymnastics Academy Booster Club (PGA Boosters Corp) is a separate, non-profit 501c3 organization, consisting of and run by the parents of PGA team members. Your membership in the club is paid with a \$35.00 yearly fee when your gymnast becomes a member of the team. This fee goes into a fund to help pay for Level 9/Level 10/Xcel Diamond and Xcel Sapphire National Meets. Revenue generated by the Boosters helps to pay expenses associated with competitions; including coaches' travel expenses and coaching fees, meet entry fees, and other items that benefit the team as deemed appropriate by the club officers.

C. PURPOSE OF PERFORMANCE GYMANSTICS ACADEMY BOOSTER CLUB

1. To generate enthusiasm to support the team as a unified group
2. To raise funds to pay for meet entry fees and coaches' travel expenses
3. To ensure that all gymnasts are entered into each scheduled meet they intend to compete
4. To raise funds for special equipment/apparatus needed for the team but that does not benefit Performance Gymnastics Academy in a business sense
5. To organize and conduct meets for the development of team gymnasts and to offset program expenses

D. PERFORMANCE GYMANSTICS ACADEMY BOOSTERS' GOALS FOR THE SEASON

1. Focus on the kids
2. On-time registration for every PGA gymnast for every meet
3. Welcome and involve new parents and gymnasts
4. Continued impeccable financial management of all accounts
5. To ensure a future benefit and longevity of the organization for gymnasts in Performance Gymnastics Academy
6. HAVE FUN!

E. FINANCES

1. Performance Gymnastics Academy Payments

Monthly tuition is paid to Performance Gymnastics Academy, not to Performance Gymnastics Academy Booster Club (PGA Boosters Corp). In addition, an annual registration fee of \$35.00 per child is paid to Performance Gymnastics Academy. The fee is billed once a year on the month your child enrolled at PGA. All matters associated with your monthly tuition charges should be directed to Performance Gymnastics Academy.

2. Performance Gymnastics Academy Booster Club Accounts & Fees:

a. Gymnast Booster Account (Competition Account) :

This account is for funds that you personally contribute. You deposit money in this account by cash, check, Venmo or PayPal (payable to PGA Boosters Corp). Checks are to be left in the box at the front desk in an envelope clearly marked "PGA Boosters" to avoid any confusion. **Include your daughter's name and level on all correspondence.** Un-used funds in your personal account will be returned to you if you leave the team for any reason. You must fill out a refund request form to receive a refund. Money from this account can carry over from year to year. **THESE FUNDS ARE NOT TAX DEDUCTIBLE.** Unclaimed funds are moved to the administrative account one year after you have left the organization.

b. Gymnast Fund Raising Account

This account will be for funds raised by participation in Booster Club sanctioned activities. Examples would be Kroger Community Rewards, MVRA Volunteer Events, PGA Sponsored Events. This money is not refundable to you once earned. These funds are applied to your gymnast's accrued expenses first, whenever possible.

c. Boosters Administrative Account:

This account is for the benefit of the entire team and is funded through various activities. The account is managed by the Club Officers. The Administrative Account also funds the day-to-day operations of the Boosters Club and for activities that benefit all gymnasts (such as the Christmas Party). A portion of the administrative account is set aside every year as a "National Fund", which is to offset the coaching expenses for Level 9/10 National Qualifiers and Elite/Hopes Meets. Monies left over from Fund Raising Accounts that are closed will be swept into this account.

3. Fee Schedule

During the summer prior to the competitive season, you will receive a letter detailing the estimated meet expenses for the coming year, the payment schedules and required deposits. The estimates are based on the team's expenses from the previous year and the meets scheduled for the upcoming season. There are three options for paying competitive fees:

a. Three payment option

Level	July 15, 2027	Sep. 15, 2027	Nov. 15, 2027
Sparkles	\$400.00	\$200.00	\$200.00
Level 3	\$775.00	\$575.00	\$425.00
Level 4	\$775.00	\$575.00	\$425.00
Level 6/7/8	\$850.00	\$600.00	\$400.00
Level 9/10	\$950.00	\$750.00	\$700.00
HOPES	\$1,150.00	\$850.00	\$1000.00
Xcel S/G/P	\$775.00	\$575.00	\$425.00
Xcel Diamond	\$800.00	\$650.00	\$425.00

b. Two payment option

Level	July 15, 2027	Sep. 15, 2027
Sparkles	\$500.00	\$300.00
Level 3	\$1,000.00	\$775.00
Level 4	\$1,000.00	\$775.00
Level 6/7/8	\$1,000.00	\$800.00
Level 9/10	\$1,000.00	\$1,400.00
HOPES	\$1,000.00	\$2,000.00
Xcel S/G/P	\$1,000.00	\$775.00
Xcel Diamond	\$1,000.00	\$875.00

c. Single payment option

Level	July 15, 2027
Sparkles	\$800.00
Level 3	\$1,775.00
Level 4	\$1,775.00
Level 6/7/8	\$1,850.00
Level 9/10	\$2,400.00
HOPES	\$3,000.00
Xcel S/G/P	\$1,775.00
Xcel Diamond	\$1,875.00

Please remember that these are **deadlines**. Funds are needed **by** these dates to enter meets. Meet registration can begin as early as August 1 (some meets are full within 2 weeks of opening registration). The coaches enter the gymnast into several meets at a time and the Booster Club then sends the payment to the host club, which requires a balance in your account prior to the season start. ***If you do not have the funds in your account by the deadlines, your gymnast will not be entered in meets. If your monthly tuition is not up to date, your child may not be entered in meets.***

1. Competitive Fees are **ESTIMATED**:

Estimated fees may not cover all expenses during the year. If the need arises to increase the amount of funds in your account, you will be notified as soon as possible. Teams (with the exception of Sparkles) will compete in approximately 6-8 meets per season. Coaches' fees and travel expenses for Regional and National Meets (Levels 8-10) are **NOT** included in the estimated competition fees due to locations not being determined until later in the season (see Part II, Section D, Coaches Expenses). You will be billed for any fees due over the estimate. You are responsible for all fees due over this estimated amount. Any waiver of fees by coaches must be in writing to both the Booster Club and the gymnast's parent.

2. Competitive Meet Commitment:

As the season approaches, PGA coaches will compile and distribute a list of meets they have selected for the team to attend. You must then select the meets you plan to attend and return the list to the coaches by the required deadline. The coaches set a minimum number of meets that your child will be required to attend. We understand things can change due to injuries, or other circumstances beyond your control. Keep the lines of communication open between you and the coaches as events impact your child's meet schedule. Once you have turned in your Meet Agreement Sheet you may not be eligible for refund of meet fees/coaches expenses in the event your child cannot attend. Once signed up, refunds for meet fees will not be processed until end of season. ***We cannot guarantee that a refund will be issued as this is at the discretion of each meet director.***

In the event of an injury, Performance Gymnastics Boosters Club will make every effort to get refunds for entry fees already paid or to enter a gymnast into meets later in the schedule that she did not plan to attend prior to the injury. Please advise your coach and send an email to the Boosters Club as soon as possible. Meets have posted scratch deadlines and are not very accommodating in most cases. A gymnast will still be responsible for coaches travel expenses if a refund is not issued by meet. ***We cannot guarantee that a refund will be issued as this is at the discretion of each meet director.***

3. Boosters Competitive Account in Arrears:

If your account is not properly funded, your gymnast will not be entered in meets. In the unlikely event your account is not funded the Boosters Club reserves the right to assess a ten percent (10%) penalty on the amount past due. Every 30 days there will be an additional ten percent (10%) penalty on the current existing balance. All individual accounts that are in arrears for a period of 90 days will be handled via Small Claims Court and/or be turned over to a professional collection agency. If your child's tuition is in arrears the coaches will advise the course of action and they reserve the right to not allow your child to compete in meets until tuition is paid in full.

Miscellaneous Expenses

1. *USA Gymnastics Membership:* All team members are required to be a member of USA Gymnastics (USAG), which sanctions all of the meets we attend and acts as a governing body for the sport. They establish the compulsory routines, set the boundaries for the optional routines, and ensure that standards for scoring routines are established and applied consistently by the judges. Your child will receive a USAG number, which is required for entry into the meets, and a membership card. The Boosters and coaches ensure that the gymnasts' membership numbers are sent in with registration; however, you should bring your child's card to the meet. The USAG fee: \$75 in 2026 (subject to change per USAG) is due by July 31 each year. New members may also be charged a \$27.00 enrollment fee. Parents are required to register/renew online. This fee is nonrefundable once processed by USA Gymnastics. Coaches will send information out directly to parents about registration/renewal.

2. Team Uniforms:

Team leotards, warm-ups, sandals and bags are required for each team member and are ordered in the summer. The coaching staff selects, orders, and arranges fittings for the uniforms. A complete set is generally about \$400. Ordering of accessories and parent's team shirts are coordinated by the gym. Expenses for leotards, warm-ups and gym bags are NOT included in the gymnastics level fees previously discussed and are paid directly to Performance Gymnastics Academy.

3. *Nationals Fee:* A yearly Nationals fee of \$35 will be charged to every account. This fee is used for Level 9, Level 10, and Xcel Diamond and above National meet expenses such as airfare, car rental and meals for coaches. Any gymnast who qualifies for Nationals will benefit from this fund. The fee is charged to your August 1 and is nonrefundable.

F. MISCELLANEOUS

1. Participation

All families will be expected to participate in fund raising activities. As these opportunities arise more information will be made available.

2. In the event a gymnast leaves PGA the funds in their fundraising account cannot be refunded. The Booster Club may transfer these funds (with the approval of the Executive Board) to another gymnastics booster club provided said club is recognized as a 501c3 Tax Exempt Organization with the IRS. Funds may be transferred between siblings only.

3. No refunds can be processed without a written request. Refund form can be found on the Performance Gymnastics website under Competitive Team. Requests/forms should be sent to PGABoostersCorp@gmail.com. If you cannot send an email a written letter must be presented to your child's coach to be given to the Booster Club president.

PART II: Performance Gymnastics Academy Booster Club Operating Policies

A. 2026-2027 PERFORMANCE GYMANSTICS ACADEMY BOOSTER CLUB OFFICERS

Your current officers are:

President: Pam Mayberry – pamwmayberry@gmail.com (937) 307-8543

Vice President: MK Haddad – mkhaddad101@gmail.com

Fundraising Chair: Megann Eversole – meversole1209@gmail.com

General Email Address for the Booster Club: PGABoostersCorp@gmail.com

B. FUND RAISING ACTIVITIES

1. Kroger Community Rewards Program

Participation in the program is a great way to earn rewards for doing something you already do. To enroll, sign into your Kroger Plus account and under Community Rewards select Performance Gymnastics Academy Booster Club (NPO # 99313) to enroll. The Community Rewards program requires yearly renewal in April. Details for program and enrollment are available, please email the Booster Club.

2. Dorothy Lane Market Good Neighbor Program

Program runs from Jan 1 – Dec 31 each year. You are required to enroll your card each year for funds to be sent to our organization. You can enroll at any time as funds are distributed for the year, Dorothy Lane Market keeps track of all earnings. These funds cannot be designated to a specific account as accounting information is not provided to the Booster Club. Our organization number is: 890 (Performance Gymnastics Boosters Corp).

3. Raffle

When we receive items as a donation that can be raffled as a fund raiser we will arrange for the team. Members will be required to participate to be included in benefits. Example is the Celebration Raffle held in the fall. No Booster Funds are used to purchase items for the raffle, they are completely donation funded.

4. Performance Gymnastics Academy

The gym may host 2-3 fundraisers each year for the Team. Previous activities include hosting Open Gyms and providing items for the Basket Raffel (proceeds are split 50/50 with the gym). Parents of team members will be asked to work events or help out as needed.

5. The Miami Valley Restaurant Association

Volunteers are regularly needed to work events in/around the Dayton Metro area. The Boosters Club will earn team funds with those families who volunteer for events receiving funds

directly into their PGA fundraising account. Funds are distributed late fall after all events have been completed and are immediately reflected in the gymnast account.

6. We are going to try to do a large fund raiser for this year that will require everyone's participation. If you are not able to participate there will be a buyout fee. More details to come. Target date is early 2027 with meet schedule taken into account.

C. MANAGEMENT OF BOOSTER FUNDS

1. General

All disbursements and expenditures are made by the Treasurer through the funds and are explained in detail in the Finances section of team information.

2. Calculation of Costs for a Meet

The total costs of meets include gymnast entry fees, team entry fees, and all expenses of the coaches and chaperones (if needed) attending the meet. Transportation and room/board for the gymnast is the responsibility of the parents.

3. Cancellation by a Gymnast

If a gymnast cancels/scratches from a meet they are responsible for any unrecoverable costs, such as entry fees and their share of the coaches' expenses. Special consideration will be given in the case of an injury whenever possible. Illness day of competition is not refundable. Notice MUST be sent to the Boosters Club by the parent prior to any competition to advise of any injury.

Gymnasts are responsible for coach travel fees regardless of the reason for cancellation if not cancelled by the meet-posted scratch date. This would apply to any competition (regular season, Regional, or National) that will require the purchase of air fare, hotel accommodation, and rental car/mileage fees.

D. COACHES EXPENSES

1. Coaching fees are paid at a rate of \$70.00 per session. Teams of 5 or more gymnasts will have additional coaches funded. State, Regional and National coaching fees are calculated after sessions are advised. Optional teams have three coaches, regardless of number of gymnasts in a level.

2. Coaches will receive funds for travel expenses (driving mileage and lodging). If it is not reasonable to expect the coaches to drive to a meet, they will be reimbursed for airline travel. Any family members of a coach, also travelling, will be responsible for their own travel arrangements and expenses. The Boosters Club will use the same guidelines USA Gymnastics uses for mileage reimbursement. Coaches are expected to ride together when possible. Boosters Club will reimburse based on session times/dates. Coaches are expected to share

lodging if hotel rooms are necessary. Coaches are reimbursed per diem for overnight stays, mileage, and meals. Coaches are required to submit receipts for all expenses.

3. Coaches will be paid per diem for meals/groceries for each day they are coaching at a meet. The per diem amount is based on session times and if overnight stay is required. Coaches are required to submit receipts for expenses.

4. Number of Coaches

Expenses will be paid for one coach per session or team consisting of four girls or less. Teams/groups consisting of five girls or more will receive funding for two coaches. Teams of 10 or more girls may receive funding for three coaches. Optional teams have 2-3 coaches regardless of team numbers. The Boosters Officers must approve exceptions to this rule in advance. State, Regional and National meet coaching fees will be calculated after gymnasts have qualified. State, Regional and National coach fees vary dependent on gymnast age brackets determined by USAG.

5. Regional and National Meets

Gymnasts in Levels 9, 10, and Xcel Diamond and Xcel Sapphire can qualify to additional competitions based on individual scores at State Championships. These coaches' fees may not be included in your estimated competitive fees as locations will not be determined until early 2027. You will be advised of approximate fees prior to State Championships and if additional funds are required in your account, they will need to be paid **prior** to State Championships. Entry for Regional meets is required at State Championships, entry for National meets is required at Regional Championships, per USAG rules (these funds must be in your account for your gymnast to be entered).

6. Elite Competitions

We have girls who will be trying to qualify for HOPES and Elite. These fees may not be included in estimated amounts. The gym may hold specific fund raisers to help with these competitions.

Addendum for Covid-19/Pandemic:

With rules and requirements changing constantly based on states current travel/quarantine restrictions, some meets may be cancelled with NO REFUND given back to the gym. These cancellations can occur at any time including during the meet. Coaches travel expenses will still have to be covered if this were to happen. Any funds that are returned for cancelled competitions will be equally distributed back to the gymnasts based on entry fee paid.
